

January 2021 Newsletter

1. Charpak Lab Scholarship

In this program, Indian students enrolled in an Indian institution at the Bachelor's or Master's levels can undertake a training/research project at a French laboratory or institution during the academic break (May to July). A monthly stipend of 700 euros for a maximum of 2 months (between May and July) is provided by the Embassy of France in India.

Location: France

Deadline: 17th February 2021

Eligibility: All UG and PG students

2. KTH Scholarship

The KTH Scholarship covers the full tuition fee of a one or two-year master's program. Each year around 30 newly admitted students are awarded the scholarship. The KTH Scholarship covers the tuition fee at KTH for the first and the second year, provided that the study results during the first year are satisfactory.

Location: KTH Royal Institute of Technology, Sweden

Deadline: 15th January 2021

Eligibility: Applicant for a master's program at KTH

5. IITKGP-University of Alberta Joint Doctoral Degree Program

This opportunity is open for Senior Research Scholars at IITKGP although it is desirable that research scholars are in their first or second year of Doctoral Studies. Faculty members from the University of Alberta and IITKGP will identify research projects for the joint degree students as part of their doctoral studies. The thesis will be evaluated by each Institute according to its own rules. As per the agreement, the student will be required to spend a period of 6 – 12 months in the host institution during the course of his/her doctoral studies.

Location: India and Canada

Eligibility: Research Scholars at IITKGP
