June Newsletter

1. VIRTUAL TAMU I-Corps Site Program

The Texas A&M I-Corps Site program invites graduate and undergraduate engineering students to apply for the 2022 Summer Cohort. The program is funded by the National Science Foundation and since 2017 supported 150+ teams pursuing innovations. Past Site teams raised more than $500K from the National Science Foundation National Teams programs and more than $3M overall in external funds.

Benefits to Students:
- **Training:** Learn the fundamentals of the I-Corps approach which has been adopted by the industry and government agencies and apply them to your innovation.
- **Mentorship:** Gain access to a mentor who provides valuable feedback and connections
- **Funding**: Upon successful completion, get access to up to $3000 for travel or product development to support your innovation
- **Certification**: Receive a certificate upon successful completion of TAMU I-Corps Site.
- **$50K National Team NSF Grant:** teams completing the I-Corps Site program meet NSF lineage requirements and are eligible to apply to the National Teams program.

Schedule:
- 20th June 2022 - Virtual Site Training
- 27th June 2022 to 12th August 2022 - Meetings are scheduled with mentor.
- 15th August 2022 - Virtual End of Program Presentations
