Commonwealth Distance Learning Scholarships

Commonwealth Distance Learning Scholarships are for candidates from least developed and lower-middle-income Commonwealth countries for part-time Master's study by distance learning on selected courses offered by UK universities. This scholarship covers tuition fees and study grants where required. To apply for the Commonwealth Distance Learning Scholarship, one must use the CSC's Electronic Application System (EAS) and any other application required to complete by their chosen university.

"The journey of a thousand miles begins with a single step." – Lao Tzu

Charpak Master's Scholarship

Charpak is the French government scholarship program in India. It allows Indian Students to study at undergraduate or postgraduate levels in public and private institutions in France. This scholarship is designed for one to two years of studies in France at the Master's degree level for all streams and fields of study. Students will be given a monthly living allowance of 860 euros, assistance to find affordable student accommodation (priority access to CROUS residences, subject to availability), and a student visa and study in France fee waiver.

Location: France

Deadline: 24th March 2023

Eligibility:

Students who aspire to pursue a Master's in France

NEWS & EVENTS

Hult Prize OnCampus Round 2023

The OnCampus Round of the Hult Prize, a global entrepreneurship competition, was a tremendous success. The event aimed to identify and support young social entrepreneurs working to solve some of the world's most pressing challenges. The competition saw an overwhelming response from students of IIT Kharagpur, with 40+ participating teams, from which the shortlisted teams got to present their innovative ideas and solutions to the judges.

GRE/TOEFL Webinar

The Graduate Record Examinations (GRE) and TOEFL (Test of English as a Foreign Language) have increasingly become the benchmark for admissions in over 11,000 universities worldwide. The webinar was conducted online by Mr. Joseph Augustine, Senior Manager at ETS India, and received the participation of more than 100 students.

Institute Lecture

An Institute Lecture on the topic "Role of IITs and IISc in the Emergence of Semiconductors Packaging and Systems to make India a Global Leader" was conducted with Prof. Rao R. Tummala, Founding Director and Emeritus Professor, Georgia Tech, USA, who is also the Advisor to India Semiconductor Mission, India as the Guest Speaker. The presence of a multitude proved that the event was a huge success.
