#### **4. Inlaks Shivdasani Foundation Scholarships**

The Inlaks Shivdasani Foundation Scholarships can be availed by meritorious Indian students studying in universities in the UK, the US, and other European countries. The Program provides grants, awards, and scholarships to students doing full-time Master, or Doctoral degrees. The scholarship amount is given just once, and the Foundation does not allocate more than USD 100,000.

**Location:** US, UK, and other European countries

**Eligibility:** All UG and PG Students

**Deadline:** 30th March 2022

**Weblink:** <https://www.inlaksfoundation.org/scholarships/how-to-apply/>

#### **5. Ministry of Education Taiwan Scholarship**

The Taiwan Scholarship of the Ministry of Education aims to encourage outstanding students from non-diplomatic countries (excluding mainland China, Hong Kong, and Macau) to study in Taiwan for bachelor, master's, and doctoral degree programs. The full tuition and part of the miscellaneous fees will be subsidized for the recipients each semester. A monthly subsidy of NT\$15,000 for college students and a monthly living allowance of NT\$20,000 for master's and doctoral students.

**Location:** Taiwan

**Eligibility:** All UG and PG Students

**Deadline:** 31st March 2022

**Weblink:** <https://tafs.mofa.gov.tw/SchDetailed.aspx?loc=tw&ItemId=8>

#### **6. Summer at BGU**

BGU International is proud to collaborate with the university's world-renowned academic departments to organize top-quality international summer programs for students at various stages of their education, as well as professionals who are seeking further engagement in their respective fields. There are two specific types of programs Global Health Summer Program and Data mining and Business Intelligence for cyber security.

**Location:** Israel

**Eligibility:** Students in their third year of undergraduate studies (and higher)

**Deadline:** 27th March 2022

**Weblink:** <https://in.bgu.ac.il/en/international/Pages/Short/summer.aspx>

## **7. Imperial Climate and Energy Early Academic Fellowship**

In partnership with the British Council, Imperial College London is offering four fully-funded placements for recent female Ph.D. graduates (in the last 3 years) at selected Imperial departments. The Fellowships have been created with the aim to help address the under-representation of women in STEM. Applicants will be required to demonstrate their financial needs and how they would inspire future generations of women to pursue a career in STEM.

**Location:** London

**Eligibility:** Have an acceptance letter from an academic supervisor from one of the eligible Imperial department

**Deadline:** 29th April 2022

**Weblink:** <https://www.imperial.ac.uk/admin-services/international-relations/bcstemeaf/>

## **8. University of Twente Scholarship (UTS)**

The University Twente Scholarship (UTS) is a scholarship for excellent students applying for a graduate program (M.Sc) at the University of Twente. The students receive between € 3,000 and € 22,000 for one year. In the case of a two-year study program, students can receive additional UTS of an amount equal to that in the first year to cover the expenses of the second year.

**Location:** Netherlands

**Eligibility:** IELTS 6.5

**Deadline:** 1st May 2022

**Weblink:** <https://www.utwente.nl/en/education/scholarship-finder/university-of-twente-scholarship/#applicationrequirements>
