SCHOLARSHIPS

Chancellor's scholarship (UWE Bristol)

Location: England

Deadline: 30th September 2023

Eligibility: Be an unsponsored student with an unconditional offer from the university as well as a British first equivalent (above 70% of GPA) in graduation

Weblink: <https://www.uwe.ac.uk/courses/funding/scholarships-and-bursaries/chancellors-scholarship>

University of the West of England, Bristol, provides a scholarship of 50% of the tuition fee for non-research postgraduate courses other than MBA to successful international applicants. This scholarship is provided for one academic year on the condition of being an active part of the student body.

UNIL Master's grants

Location: Switzerland

Deadline: 1st November 2023

Eligibility: Have obtained a Bachelor's degree with good academic records and possess level C1 of proficiency in English

Weblink: <https://tinyurl.com/2csctfry>

This scholarship is offered by the University of Lausanne to international students who are applying for a Master's course in the University in the fields of geosciences, business, economics, and social sciences. Successful candidates shall be paid a monthly sum of 1600 CHF (Swiss Franc.) for ten months for the Master's degree.

Regione Veneto Scholarships

Location: Italy

Deadline: 2nd October 2023

Eligibility: Receive an offer from the University of Padua and satisfy the merit and means criteria as may be specified

Weblink: <https://www.unipd.it/en/veneto-region-scholarship>

The University of Padua supports comparatively low-income students through these scholarships. The scholarship amount depends upon the candidate's financial status and may include exemptions in fee payment and contributions towards living costs.

INTERNSHIPS

Visiting Student Research Program-King Abdullah University of Science and Technology

Location: Saudi Arabia

Deadline: Open throughout the year

Eligibility: Undergraduate students in 3rd year or above and Master's students with a GPA equivalent of 3.5/4

Weblink: <https://vsrp.kaust.edu.sa/internship/search>

The Visiting Student Research Program offers students a chance to conduct research at King Abdullah University of Science and Technology. This internship can vary from three to six months, depending on the field of research. Interns get paid a monthly stipend of 1000 USD. The University also considers the accommodation, healthcare, and airfare fees.

2024 Software Engineer Program (JP Morgan Chase)

Location: Singapore, Shanghai, Hong Kong

Deadline: 31st October 2023

Eligibility: Pursuing Bachelor's degree with expected graduation of September 2024 to July 2025

Weblink: <https://careers.jpmorgan.com/in/en/students/programs/software-engineer-summer#careers-section7>

JP Morgan Chase has openings for summer analysts under its software engineering program. It is a 10-week internship program with the opportunity to learn and work on industry problems. Potential roles include Web, cybersecurity, and infrastructure developers. The internship is from June to August.

OIST Research Internship Program

Location: Japan

Deadline: 15th October 2023

Eligibility: Pursuing final two years of Bachelor's/Master's degree and have required approval from the host institution

Weblink: <https://admissions.oist.jp/apply-research-internship>

Okinawa Institute of Science and Technology offers positions as research interns to students in STEM fields. The internship will be under the supervision of OIST faculty and will last from 2 to 6 months.

EVENTS

Institute Lecture

An institute lecture on "Recent Advances in Memristors and Neuromorphic Circuits" was held on 16th August 2023 by the Office of International Relations. Esteemed Professor T. Venkatesan, a distinguished alumnus of IIT Kharagpur and Director of the Center for Quantum Research and Technology, University of Oklahoma, gave this lecture. A multitude attended the lecture and was a great success.

CONFERENCES

International Conference on Applied Cryptography and Network Security

Location: United Arab Emirates

Deadline: 17th October 2023 (Submission of Papers)

Eligibility: Open to all

Weblink: <https://wp.nyu.edu/acns2024/>

This conference will be conducted by the New York University in its Abu Dhabi campus from 5th to 8th March 2024. It is an annual conference on the current developments on the aforementioned topics. Submissions may focus on the modeling, design, analysis, development, deployment, and maintenance of algorithms, protocols, standards, implementation about applied cryptography, cyber security, and privacy.

Conference on Computer Vision and Pattern Recognition (CVPR)

Location: United States of America

Deadline: 3rd November 2023 (Paper Registration) || 10th November 2023 (Submission of Papers)

Eligibility: Open to all

Weblink: <https://cvpr.thecvf.com/Conferences/2024>

IEEE conducts this conference in partnership with the Computer Vision Foundation. It is regarded as one of the most important conferences in Computer Vision, with a very high impact rating. This time, it will be held in Seattle, USA, from 17th to 21st July, 2024.

COMPETITIONS

Future Designer International Innovation Design Awards (IIDA)

Location: Online

Deadline: 30th September 2023

Eligibility: Open to all

Weblink: <https://tinyurl.com/4md7cvhx>

UNESCO organizes this competition. It is about finding an original design that advocates for sustainable development and addresses the pressing challenges facing the world, like environmental degradation, biodiversity loss, climate change, etc. The designs may be anything from a poster to videos, games, apps, etc. Winners will be provided with certificates.
