## BASIS OF EVALUATION AND GRADING

1. University uses Broadband Letter Grades to report a student's performance. Each letter grade indicates the level of performance in a course and has an associated grade point value as per the following table:

| Letter Grade | Performance | Grade Points |
|---|---|---|
| A+ | Outstanding | 10 |
| A | Very Good | 9 |
| B | Good | 8 |
| B- | Above Average | 7 |
| C | Average | 6 |
| C- | Below Average | 5 |
| D | Marginal Pass | 4 |
| E | Reappear | |
| F | Fail | |
| I | Incomplete | |
| R | Resubmission | |
| S | Satisfactory (for zero credit courses only) | |
| U | Unsatisfactory (for zero credit course only) | |

2. **A+, A, B, B-, C, C-** and **D** are Pass grades. **E** is a temporary grade indicating permission to reappear in the re-appear examination to improve it to a passing grade, and **F** is a fail grade. **I** represents an incomplete result and is replaced with the grade that student obtains after completing the requirements. **R** represents resubmission in case of projects/dissertations or other similar courses. **S** and **U** grades are awarded only in case of courses with zero credit: **S** for satisfactory performance and **U** for failing in a course.
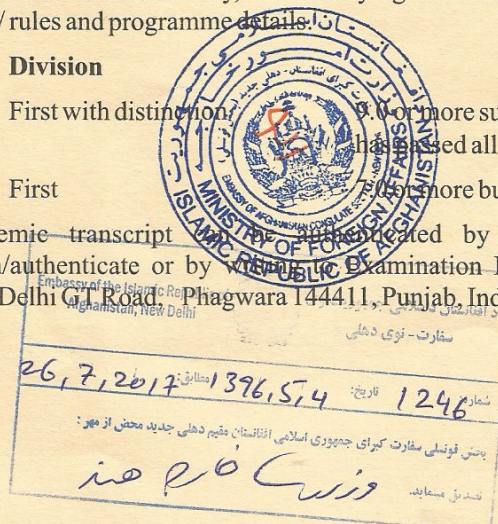

3. A student's overall academic performance within a given term is represented by Term Grade Point Average (TGPA), and the overall performance in all the courses completed up to and including the current term is represented by Cumulative Grade Point Average (CGPA). TGPA and CGPA are calculated as the weighted averages of the grades:

$$TGPA / CGPA = \Sigma\ C_i G_i / \Sigma\ C_i$$ , where C represents the credits associated with a course and G represents the grade points of the letter grade in that course.

4. If a conversion to marks is required, the nominal percentage of marks may be calculated by multiplying the CGPA with 9.0

5. The CGPA requirement for the award of degree / diploma / certificate will be 5.0 or above for Regular Programmes and 4.0 or above for Distance Education Programmes, subject to getting a passing grade in each of the courses individually, and satisfying other conditions as specified in the examination ordinances / rules and programme details.

6. 

| Division | CGPA |
|---|---|
| First with distinction | 9.0 or more subject to the conditions that student has passed all the courses in the 1st attempt. |
| First | 6.0 or more but less than 9.0 |
