## TO WHOM IT MAY CONCERN

I write to affirm that **MR. OGBENNA FAVOUR CHIMOBI** have been known to me over three (3) years.

During his undergraduate study at Federal University of Technology, Owerri (FUTO), he was dedicated, hardworking, intelligent and graduated with good grade.

He served his National Youth Service Corps (NYSC), at Global Maritime Academy, in the Department of Shipping Management and he performed excellently well.

I strongly recommend him for any assistance he is currently seeking for your organization.

Yours faithfully,

Nwosu Emmanuel  
HOD, Shipping Management
