Date: 18.7.2019

Dr. Sanchita Chakravarty

Senior Principal Scientist & Head
Analytical and Applied Chemistry Division

To Whom It May Concern

This is to certify that Ms. Ahalya Shankor Das, a student of UG-3, Department of Pharmaceutical Technology, Jadavpur University, has done a project on the "Study of Pharmaceutical Products using FTIR, UV-Vis and Raman Spectroscopy" in the Analytical and Applied Chemistry Division. She has also done a Research work on the "Synthesis of Hydroxyapatite Composites for Bone Repair and Dental Applications" in the Organic Chemistry and Biotechnology Division under the guidance of Dr. Suprava Nayar, Senior Principal Scientist of CSIR-NML. During her period of work, from the 10th of June to the 30th of June, 2019 she has been very committed and sincere with her work and works well with a team. I wish her all the best for her future endeavours.

Sanchita Chakravarty
