Sex Male | Date of birth 14/8/1996 | Nationality Afghan | Religion Muslim

A competent electrical engineer with a comprehensive knowledge of designing, developing and maintaining electrical systems and components to required specifications, focusing on economy, safety, reliability, quality and sustainability. A consistent track record of successfully completing projects from the concept and detail of the design through to implementation, testing and handover. Having a comprehensive understanding of electrical health and safety regulations, I am currently looking for opportunities in the major of electrical engineering with focus in the Power Engineering and Renewable energy engineering.

WORK EXPERIENCE

(12/03/2021 – Present)

Project Manager

Alkozia Limited Company, First Two months are part of YES-II Program (Second Part of the program), Haji Yaqoob Square, Shahri Naw, Kabul city, Afghanistan

▪ Managing, Organizing, Planning, Invoicing, controlling, Monitoring of Kabul Security Camera project.

▪ **Business or sector** Private Limited Company

Electrical Engineer (Part time)

Bena-e-Sharq Construction & Engineering Service Company, Dawa Khana square, Kota-e-Sangi, 3rd District, Kabul City, Afghanistan

▪ Surveying, Designing, and Installation of Electrical systems (Wiring system), PV systems, solar water irrigation system for commercial and domestic purposes.

Business or sector Engineering service Company

Intern as Project Officer

Da Afghanistan Breshna Sherkat (DABS), Operationally Superintendence, Renewable energy Assistance, CSTC-A project Department, YES-II Program (Second Part of the program), www.yes-2.org, Chaman Hozori, Kabul city, Afghanistan

▪ Estimating, Invoicing, Inspecting, Reporting, Monitoring, site date collecting, Quality controlling and managing of CSTC-A Projects.

Business or sector Limited Liability Company

Intern (For Theoretical and Practical work)

German Society For International Cooperation (GIZ), YES-II Program (First Part of the Program), www.yes-2.org, Park Star Hotel, Ansari Square, Shahri Naw, Kabul city, Afghanistan

▪ Surveying, Designing, and Installation of PV systems, solar irrigation system and hot water systems,

▪ Leadership and entrepreneurship.

Business or sector Energy and Sustainable Development

Senior Instructor of English language (Part Time Job)

Kabul TOEFL School (KTS) English Language center, Hal-e-be Sazi-e Street, Kota-e-Sangi, 3rd District, Kabul City, Afghanistan

▪ Coordinating, Coaching and Instructing.

Business or sector Educational

Job training Intern

Asia Consultancy Group (ACG), Aviation Technology Department, Full Time Job training, www.acgtelasia.com, Right 2nd Lane, 2nd Street (Power Station Street), Kabul city, Afghanistan

Program covered both theoretically and practically in the following courses.

▪ Electromagnetic Field Theory, RF & Microwave Devices, Transmission Line & Antennas, Fiber

	Optic Communications, and Basic Linux OS.
(24/04/2019 – 06/10/2019)	Business or sector International Telecommunication and electrical power Services Job training Intern Asia Consultancy Group (ACG), Aviation Technology Department, www.acgtelasia.com , Right 2nd Lane, 2nd Street (Power Station Street), Kabul city, Afghanistan The Program Core areas are as follows. <ul style="list-style-type: none">▪ Electronics, Electronics Lab, Circuit Analysis, Circuit Lab, and Electromagnetism. Business or sector International Telecommunication and electrical power Services
(10/01/2017 – 24/12/2019)	IT Officer (Voluntary job) Faculty IT Department, Engineering Faculty of Kabul University, University Street, Kabul city, Afghanistan <ul style="list-style-type: none">▪ Distributing, Caballing, Setting, controlling, monitoring, configuration, problem detecting and solving of Network's system.▪ Hardware and Software of problem solving Business or sector Public IT services
(22/9/2018 – 20/03/2019)	Engineer assistant Capital Region Development Authority (CRIDA)- Public Company, full time internship, www.crida.gov.af , 1 st Street, Ansari, Shahri Naw, Kabul city, Afghanistan <ul style="list-style-type: none">▪ Project management, survey and urban management workshops, Urban Planning, and electric designing (transmission and distribution of Urbane). Business or sector Development of Basic Infrastructure
(10/03/2019 – 30/12/2020)	Members of research and studies department Students union, Kabul University – Kabul City, Afghanistan <ul style="list-style-type: none">▪ Researching, evaluating and publishing. Business or sector Educational
EDUCATION AND TRAINING (2016 – 2019)	Bachelor's Degree of Science, Department of Electrical and Electronics Engineering Engineering Faculty, Kabul University, University Street, 3 rd District, Kabul, Afghanistan <ul style="list-style-type: none">▪ Power System▪ Power Electronics▪ Communication system▪ Control System▪ Renewable Energy▪ Electromagnetic Field theory▪ Project Management▪ Wiring and Project design
(03/03/2021 – 11/05/2021)	35 hours of PMP (Project Management Professional) Certificates Kabul TOEFL School (KTS) English Language center, Hal-e-be Sazi-e Street, Kota-e-Sangi, 3 rd District, Kabul City, Afghanistan <ul style="list-style-type: none">▪ Project management, Processes & Domains, integration management, knowledge area's project management.
(23/12/2020 – 30/12/2020)	Leadership and Management Certificate Afghanistan Economic Extension Studies Organization (AEESO), Hal-e-be Sazi-e Street, Kota-e-Sangi, 3 rd District, Kabul, Afghanistan <ul style="list-style-type: none">▪ Leadership Skills and Management proficiency.
(19/09/2019 – 26/09/2019)	Proposal Writing Certificate Smart Afghan International, Training & Consulting Organization, Shahri Naw, Kabul, Afghanistan <ul style="list-style-type: none">▪ Proposal Writing Skill.
(01/03/2017 – 10/03/2018)	Faculty Network Administration certificate Information Technology Center of Kabul University (ITCK), Kabul University, University Street, 3 rd District, Kabul, Afghanistan <ul style="list-style-type: none">▪ Hardware, Windows OS, Linux Administration Basic, Basic Networking, and Advance Networking.
(07/01/2017 – 11/03/2018)	English Language (EAP- English for Academic purposes) Upper Intermediate Certificate English Language and Computer Learning Center (ELCLC) project, Kabul University, University Street, 3 rd District, Kabul, Afghanistan <ul style="list-style-type: none">▪ EAP intermediate, EAP Upper intermediate, Basic and Advance Academic Writing.
(01/04/2003 – 22/13/2015)	12th Grade Graduation Certificate Zkor Sayedul Shohada High school, Dashti Barchi, 13 th District, Kabul, Afghanistan.

PERSONAL SKILLS

Mother tongue(s)

Dari & Pashto

Other language(s)

English

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
	C2	C2	C2	C2	C2
English Language Certificates. Proficiency					

Communication skills

High communication skills, skill of sharing, conveying and absorbing commands, information, and interacting with others.

- Good communication skills gained through leading and working in teams, teaching, taking parts in projects and attending seminars and conferences.
- Actively taking part and attending internships program such as GIZ, ITCK, and ACG helped me to increase my communication proficiency.
- Working in projects, surveying different location and working with different client with different nationalities assist me to improve my communication skills.

Organizational / managerial skills

Leadership and Management skills

- Have attended seminars of leadership, and currently leading a team of 25 member.
- Received training in Management both in university and companies.

Job-related skills

Project management, surveying, designing electrical circuits and systems, problem detecting and finding proper solutions, working with electrical and electronics tools, installation of systems, and using software (application) in the related areas.

- Got training and worked in Electrical Laboratory at ACG.
- Implemented projects from zero to hundred.

Computer skills

Skill of properly using and working with (MS windows and Linux operating systems), (Microsoft Office), and engineering softs such as Matlab, PLS-CADD, C++, AutoAD, Cisco packet tracer, power world, ETAP, PVsyst, Maple, Arduino and Dialux.

- Received training and worked with them during work area and universities projects.

Other skills

setting, and controlling systems such as wire & wireless networks, routing, switch, hub, and bridges

- Got the training and experience of working on its related area.

Hobbies and interests

my personal interest are as follows.

- Reading book, Listening to music
- Playing Football, Sporting

ADDITIONAL INFORMATION

Presentations

Presentation of Electrical load management at Engineering Faculty of Kabul University, March (2020)

Projects

150 KW Commercial Photovoltaic systems, Jun (2021)

Residential 15 KW Photovoltaic system, Dec (2020)

Security base connection in to national grid in range of 500KVA up to 1000KVA, March (2021)

Project of Building management system (BMS) (smart house), Dec (2019)

Conferences

International conference on sustainability Qutreach in developing countries. 16-19 Nov.2019, Kabul University.

Memberships

Graduated Students Union, Kabul University, present

Bam-Dad Culture organization, Present

Honors and awards

Best Teacher Annual Award, Kabul TOEFL School (KTS), English language center, (2019 & 2020)
