TESTIMONIAL FOR MOHAMMED AKIB BINIFTAKHER

This is to confirm that Mohammed Akib bin Iftakher (Passport Number : EB 0570855) completed his 10 weeks of internship (industrial trainee) with HUBER+SUHNER (MALAYSIA) SDN BHD (*leading supplier of radio frequency, fiber optic and low frequency cables, components and system*). His industrial training was from 01<sup>st</sup> July 2019 to 07<sup>th</sup> September 2019. This industrial training is part of the fulfillment of his Bachelor of Electrical Engineering pursued in University of Malaya.

Akib has good interpersonal skills and confidence level with a curious mind who is ever ready and willing to learn new knowledge and skills. Additionally, he is reliable and technically inclined in the field of New Product Introduction (NPI) and Production Engineering in view of the industrial training provided to him. To name some of the areas which we provided the industrial training were in the areas of problem solving tools such as Ishikawa ; usage of test and measurement tools; product lifecycle management and be part of the technical solution team for problem resolution arising out customer complaint. He completed the entrusted task on a timely basis.

Overall, Akib will be a valuable asset to any organisation and has our recommendation.

Yours sincerely,  
HUBER+SUHNER (MALAYSIA) SDN BHD
