Written: Proficient : **Spoken: Proficient** : **Reading: Good**

11. English Proficiency Test : No

12. Essey:

Today I'm writing my story in my specialized and my work. When I was twelve years old I liked electronics and electrical, I was fixing any electric machine in my family home also there is some mistake did it in the past. So my father sent me to institute in the summer holiday to learn mobile phone fixed when I was thirteen old I got some experiences in this field after one year I went to the new institute for learning electronics and assembling electronic board also I got another experience it is computer maintenance at 2007. Moreover, I worked in my home after finishing my homework in the fixing computer and laptop friends and neighbors, and when I finished high school I had to go to university so I chose the ELECTRICAL ENGINEERING branch. But my family does not have enough money, so I studied hard and diligently to obtain an exemption from tuition fees, in addition to my specialty and my field very wonderful for me, and I participated in the fourth year in the installation of the renewable energies laboratory in my college, which is provided by the European Union as a gift to my university. In the last year of my university I established a shop and work for electrical work and solar power (PV) installation, finally, I graduated as the best student in my class and my university appointed me a teacher in my department. The Syrian Ministry of Higher Education sent me to India to obtain a master's degree and a doctorate to the ancient and technologically advanced Republic of India, and currently, I have successfully completed the third semester and excellent degrees at SOA University, Bhubaneswar, Odisha State, and I would like to pursue my Ph.D. studies in this wonderful country and obtain an ICCR scholarship.

13. Course applied for Course Type/Subject

Ph.D EngineeringELECTRICAL (microgrid/smart grid)

14. Univesities/Institutes in India where you wish to seek admission:

Note : ICCR provides scholarships only for courses in central or state government universities.

Candidates should be very specific and clear about the course of study which he/she wishes to pursue in India. Scholarships are not available to pursue more than one course. Candidates should ensure that the courses listed here are offered by all five Universities listed under S.No.14. The candidates must refer to the University/Institute website to know the eligibility criteria for the courses of their choice. Those seeking admission to agricultural courses must opt for ICAR in the University choice. Please select Univesrity in order of preference.

University 1	University 2	University 3	University 4	University 5
IIT Roorkee	IIT Kanpur	IIT Kharagpur	IIT Madras	IIT Bombay
