LANGUAGES

1. Persian – Native
2. English --Excellent
3. Pashto –Very good
4. Hindi –Very Good

Electrical Engineer

EDUCATION

Bachelor's degree in Electrical Engineering from **Maulana Azad National Institute of Technology Bhopal (NIT-B)**, M.P India 2016 - 2020

High School

Pato high school, Ghazni Afghanistan
2002 - 2014
Over all marks: 99 %

English Diploma

Green Leaf Educational Society, Kabul Afghanistan
2014 - 2015

PROFESSIONAL EXPERIENCE (PROJECT AND RESEARCH)

YES-II (Youth Entrepreneurship Support II) program conducted by **GIZ**
Six Months of Internship Program
Starting date: 14-Nov-2020 To Present

DABS (Da Afghanistan Breshna Sherkat)

Position: Intern
Starting date: 19-Jan 2021 to 19 March 2021

- Reviewed the detailed design of Ghoor 5Mw solar power plant
- Reviewed the detailed design of Daikundi 5 Mw solar power plant

QRTDW (Qaderdan Rural Technology Development Workshop)

Position: Intern
Starting date: 19-March-2021 to Present

- Design and implementation of SPIS (solar powered irrigation system)
- Design and implementation of PV systems.
- Design of PV systems using PVsyst.
- Design and implementation of 45 KV grid connected solar system at PARSA organization Kabul Afghanistan.
- Design and implementation of 250 KV solar system at MOORA educational complex.

REMARKABLE ACHIEVEMENTS

- Scored 333 out 360 in Afghanistan's countrywide university entrance exam.
- Awarded scholarship by Indian council for cultural relationship (ICCR) to do bachelor of Electrical Engineering at MANIT Bhopal, Madhya Pradesh India.

ELECTRICAL ENGINEERING KNOWLEDGE

- Power system Operation and Control.
- Power electronics.
- Computers and Electronics.
- Power system Protection.
- Drafting and detaining of different drawing for projects and specific subjects.
- Power Quality analysis.
- Harmonics effects and techniques for mitigation.
- Control system Engineering and design of controller.
- Design of PV systems (standalone and Grid connected) & hybrid systems
- Application of equipment, devices and system.
- Design of solar powered irrigation systems.
- Analysis of electrical machines.
- Mathematics and Physics.
- Public safety and security.

COMPUTER SKILLS

- Microsoft office package
- Microsoft Windows
- C++ programming
- MATLAB Simulink
- AutoCAD
- AutoCAD Electrical
- Etap
- Power world
- Mathematica
- PVsyst
- PLS cad

INTERPERSONAL SKILLS

- Exceptional interpersonal communication, leadership relationship building and networking skills and strong analytical, logical and mathematical skills.
- Ability to communicate with person of various culture.
- Ability to work under pressure and respond to multiple tasks.
- Ability to allocate and review priorities and meet deadlines
- Ability to work in a team environment and experience in public speaking.
- Ability to give professional presentation and approach.
- Ability to analysis and identify the problem and problem solving.
- Excellent ability in management, reporting, strategic planning and execution.
- Well-disciplined knowledgeable, passionate, approachable, caring and hardworking.
