To Whom it May Concern

This is to certify that Eng. Architect Mr. **Ahmed Babiker M. Mahgoub** is working at the Institute of Engineering Research and Materials Technology- The National Center for Research since August 2021 on a fixed contract bases. I have the pleasure to be his immediate supervisor. He has the capability to manage very complex projects and to solve engineering problems. He teamed up with civil engineers on an on-going project aimed to build the walls and gates of NCR and to execute his innovate design. The project was Ahmed's full responsibility concerning the design, site supervision and visits. It included technical drawings, presentation imaging and meetings with the NCR responsible staff. During this meetings he was always alert in providing explanation and arguments for choices made. Mr. **Ahmed** demonstrate the ability to work independently or in a team with great creativity and enthusiasm. I always appreciated his talent, his ability to stay focused and meet the deadlines. I am very pleased with Mr. Ahmed's performance and, although I was hoping he would stay and work with us in the future, I believe He would be an outstanding asset to your program. I give him my highest recommendation.

Sincerely,

Professor. Zeinab Osman  
Director General,
