

ADMISSION OFFER FOR JAWAHAR LALL ATHAL

Zürich May 2nd, 2019

Dear Jawahar Lall Athal,

Following your application and the decision of the joint Admission Committee of Robert Kennedy College and the York St John University, I am delighted to offer you a place on the MBA Leadership and Management.

As a student on this programme you will be matriculated at the York St John University and will thus enjoy the same benefits as full-time students at York St John, and if successful will be awarded precisely the same degree.

Due to the limited number of places available, this offer is contingent upon your formal acceptance and settlement of the registration fee as specified in the attached tuition fees overview. Once this condition has been met, the Student Care office will be in regular contact over the coming weeks to keep you up to date with College events and the required administrative procedures.

As a member of this MBA Leadership and Management class of 2019 you will belong to a diverse group of talented and experienced individuals from all around the world.

We look forward to welcoming you into the Robert Kennedy College community, and to meeting you in due course for the residential classes at York St John University.

We are intensely proud of what we achieve at Robert Kennedy College in conjunction with the York St John University, and we think you too will be proud of what you can achieve working with us.

I should like to take this opportunity of personally wishing you every success in this important and rewarding endeavour on which you are about to embark.

With kind regards,

Yours sincerely,

Dr. iur. David Costa, LL.M, MBA, Ph.D.

Dean
