To whomsoever it may concern

I know Mr. Durga Prasad Dusi for last three years as he was a M. Tech. student in the specialization "Thermal Science and Engineering" in the School of Mechanical Sciences, IIT Bhubaneswar during 2018-2020.

He was enrolled in two of the courses which I taught "Compressible Flows" and "Applications of linear Algebra in Mechanical engineering" in which he has secured Grades A and B, respectively.

Mr. Durga Prasad Dusi is a good, honest and hardworking student. Based on my observations, I recommend him for the Dual PhD Programme in the Dept. of Mathematics, IIT Kharagpur-University of Manchester.
