

Self-declaration for English proficiency

Date: 09/April/2021

Dear Sir,

I am Mansingh Yadav, I would like to self-declared myself for PhD programme in “IIT Kharagpur - University of Manchester Dual Ph.D. Programme”. I have good English proficiency and done all course work in English at IIT Delhi. I can easily understand, read and write the English. As we know that in IITD students are from different state as well as from different countries so English is common language which use for communication in presentation, discussion in class, lab as well as in hostel.

I am absolutely sure that I will have no problems whatsoever communicating in English during all social and professional occasions while doing IIT Kharagpur - University of Manchester dual PhD Programme.

Thank You!

Yours Sincerely,

Mansingh Yadav
