

Additional Information

Dear Sir/Mam,

I have uploaded the MTech Scorecard of 1st Semester in the application form while I have mentioned the marks of 1st year in the educational details and my C.V. also. I am not able to download the performance transcript for 3rd semester online as the details will be showed after submission of our Master's thesis report which is supposed to be completed by end of next month.

Thanking you,

Shubham Verma
