***Recommendation Letter for Mr. Sudeep Mondal***

To Whom it May Concern:

It is my pleasure to write a recommendation letter for Mr. Sudeep Mondal in support of his application for the IITKG-University of Manchester Dual Doctoral Degree Program. Sudeep had completed his M.Sc. (Mathematics & Computing) from IIT(ISM) Dhanbad in 2019. During his M.Sc., I had taught Mr. Sudeep Measure Theory, Statistical Inference Lab, Advanced Numerical Methods Lab. Sudeep performed reasonably well in these subjects. He has solved several exercise problems of the textbooks independently. Sudeep is interested in pursuing higher studies in mathematics.

To the best of my knowledge, Mr. Sudeep is a well-disciplined, hardworking student. He has good analytical skills. I believe that he will be a suitable candidate for the Ph.D. program of your department. I wish him all success in his future endeavor. If I can be of any further assistance or provide you with any further information, please do not hesitate to contact me.

Sincerely,

Nabakumar Jana
