

CURRICULUM VITAE

Sushank Mishra

Physics postgraduate

Location: INDIA

Email: sushankmishra004@gmail.com

Professional skills:

'An analytical postgraduate in physics having passionate for research in the field of quantum optics and laser physics'.

I am devoted to be a part of Doctrol Research to deliver reliable techniques. Committed to keep learning and professional development with a genuine interest in research.

Core skills:

- Nonlinear optics
- Quantum electronics
- Semiconductor optoelectronics
- Atomic and molecular physics and spectroscopy
- Laboratory techniques
- Research and analysis
- Programming in Computer Languages

Education and qualification:

M.Sc.: Master of Science in Physics (present)

Indian institute of technology, Mandi, INDIA

Project: Research on Lasing by Single Emitter.

IIT-GATE: Qualified IIT-GATE 2021 exam with decent rank.

Additional information:

IT Skills: Microsoft office including Access, Powerpoint, Excel and Word
