To whomsoever it may concern,

As the Assistant Professor of the Indian Institute of Technology (IIT), Guwahati, presently, I write to you in support of Mr. AMAL GEETHAKRISHNAN SUJA (Mr. AMAL G S) for higher studies in your acclaimed university. He has completed his Bachelor of Technology (B. Tech.) degree in Chemical Engineering during the period 2011 – 2015 from the National Institute of Technology (NIT), Calicut with excellent academic records. I was an Assistant Professor in the Department of Chemical Engineering at NIT Calicut during that period. He is very hardworking, sincere, and dependable. His conduct and character are good.

Mr. Amal GS was my student for more than two years and he has shown academic attitude and ambition above and beyond among his peers and is ever willing to put in extra efforts for his studies or any academic work assigned to him. He has good leadership qualities too.

I recommend the candidature of Mr. AMAL G S for the Master's programme with confidence that he will live up to your expectation and wish him all success in his future endeavours. Please do not hesitate to contact me to provide you with any further information regarding Mr. AMAL G S.

Yours Sincerely,

Dr. Selvaraju Narayanasamy,  
Assistant Professor,
