

### Cumulative Grade Report

Name : G Swarna V S Prasad Naidu  
Roll No. : 190202

Programme : Integrated Ph.D.  
Discipline : Chemistry

| Course No                    | Course Title                                      | Credits | Grade |
|------------------------------|---------------------------------------------------|---------|-------|
| <b>2019-2020 Semester I</b>  |                                                   |         |       |
| CHM301                       | Symmetry and Group Theory                         | 4       | A     |
| CHM311                       | Organic Chemistry I                               | 4       | C     |
| CHM313                       | Organic Chemistry Laboratory II                   | 3       | C     |
| CHM325                       | Mathematical Methods for Chemists                 | 4       | B     |
| CHM411*                      | Physical Organic Chemistry                        | 4       | B     |
| <b>2019-2020 Semester II</b> |                                                   |         |       |
| CHM312                       | Organic Chemistry II                              | 4       | A     |
| CHM324                       | Physical Properties of Matter                     | 4       | A     |
| CHM402                       | Applications of Modern Physical Methods           | 4       | A     |
| CHM426                       | Physical Chemistry Laboratory                     | 3       | A     |
| CHM428                       | Quantum Mechanics and Spectroscopy                | 4       | B     |
| ECO500                       | Law Relating to Intellectual Property and Patents | 1       | S     |

| Course No                    | Course Title                                    | Credits | Grade |
|------------------------------|-------------------------------------------------|---------|-------|
| <b>2020-2021 Semester I</b>  |                                                 |         |       |
| CHM421                       | Statistical Mechanics                           | 4       | B     |
| CHM605                       | Bioinorganic Chemistry                          | 4       | D     |
| CHM625                       | Biophysical Chemistry                           | 4       | A     |
| CHM637*                      | Chemistry and Physics of Materials              | 4       | A     |
| <b>2020-2021 Semester II</b> |                                                 |         |       |
| CHM500                       | Project Work                                    | 8       | 2S    |
| CHM628                       | Electrochemistry: Fundamentals and Applications | 4       | B     |
| HSS312                       | Introduction to Detective Fiction               | 4       | A     |
| <b>2021-2022 Semester I</b>  |                                                 |         |       |
| CHM403                       | Inorganic Chemistry Laboratory                  | 3       | A     |
| CHM500                       | Project Work                                    | 16      | 4S    |

Cumulative Performance Index : 8.58/10

Credits Attempted : 98

Credits Obtained : 90

\* indicates repeat, re-exam, improvement course(s)

**Program not yet complete.**
