TO WHOM IT MAY CONCERN

This is to certify that Mr. **Mostafa Sameer** son of Mr. Mohammad Amir-Uz Zaman, permanent resident of Road No : 02, House : 8/C, Khulshi, Chittagong, worked as an **Assistant Engineer** (Civil) from **1st February, 2016** to **31st January, 2017**.

During his tenure, I find him an efficient and skillful Engineer. As a Design Engineer, he was involved to execute in various types of works relating to designing of buildings on AUTOCAD and ETABS. His key responsibilities were completing DEA (Detail Engineering Assessment) reports of various RMG sectors in compliance with ACCORD and ALLIANCE for Bangladesh Worker Safety, site survey and monitoring structural safety issues, making plans for implementation, co-ordinate with site engineers and potential clients.

I have found him to be an attentive and inquisitive responsibility. I have also found him to be an intelligent and hard working person with high analytical mind and knowledge in various sectors. He is sincere and committed to his job. As per knowledge, he is an honest and active person.

I have no hesitation in recommending him for any kind of job, travel or study purpose in the country or abroad.

I wish him every success and prosper in life.
