Dear Sir/Madam,

**LETTER OF RECOMMENDATION FOR SIJUADE ONABAJO SAMUEL**

Having observed Sijuade work through his MSc. programme and currently has graduated, I deem it fortunate to write this recommendation letter because of the confidence I have in his ability to achieve more in furthering his studies.

As an academic lecturer in Human Resources and Business Management and having seen his performances in his past studies, I can boldly recommend that you offer him a place in your institution as he will bring with him the academic excellence, diligence, skills and discipline required to achieve this goal.

He has demonstrated positive attributes in areas to include the ability to relate with other students, a competitive display of intellectual competence and a sense of focus in achieving a goal. He will also bring with him humour, leadership; thoughtfulness and team work because I have seen him exhibit these qualities during his time as my student.

Sijuade is also dedicated and compassionate and would be an ideal student for your institution.

I will have no reason to doubt his ability to contribute positively to the University or any University, and therefore happily recommend his character. Please feel free to contact me should more information be required about Sijuade.

Sincerely,

**Dr. Vivian Ikechukwu-Ifudu**
