COLLABORATION
BETWEEN
INDIAN INSTITUTE OF TECHNOLOGY KHARAGPUR (IITKGP),
AND
THE ASSOCIATION FOR OVERSEAS TECHNICAL COOPERATION AND
SUSTAINABLE PARTNERSHIP (AOTS) JAPAN**

Preamble

Indian Institute of Technology Kharagpur (IITKGP) is a reputed institution of higher learning situated at Kharagpur, India, 721302

The Association for Overseas Technical Cooperation and Sustainable Partnerships (AOTS) is an organization to promote the development of human resources of developing countries and business between those countries and Japan situated at 30-1, Senju-azuma 1-chome, Adachi-ku, Tokyo 120-8534, Japan.

IIT KGP and AOTS have agreed for organizational/institutional collaboration in the field of Human Resources, Education and Research, Technology Transfer, Business Development etc. for mutual benefit of both organizations and countries.

The primary objective is to promote interaction and collaboration between the two organizations through various forums and mechanism as outlined below. This document presents a general framework for such a relationship.

General Scope of Cooperation

The areas of cooperation between the two organizations shall involve engagements and activities covering training programs, exchange of faculties/students, promotion of research activities, and business collaborations. The following avenues have been identified under this agreement.

- a. Formulation of unique state of the art joint certification courses in the domains of technology and management to be co-taught by faculty/experts in both countries and involving stays at IITKGP and Japan
- b. Development of Indo-Japanese research centres on IIT KGP campus to showcase research and technology developments in thematic areas
- c. Development of training programs for Japanese professionals in India involving faculty members of IITKGP and Indian industries.
- d. Organizing joint academic and business activities and events to promote education, internships and employment for students.

These activities, spearheaded by IITKGP will be open to other engineering Institutions for participation including other IITs and NITs.

The areas of cooperation may be revised by mutual consent and mutually agreeable terms depending on demand and requirement. However, specific programs may require separate agreements will be detailed out.

Coordination
