

**Indian Institute of Technology Kharagpur
Office of International Relations**

Ref. No.: 1429/2021/OIR

Dec21, 2021

To:
The Director
IIT Kharagpur

Dear Sir:

**Sub: Visit of the Higher Education, Science and Technology counsellors of the Nordic Consortium to
IIT Kharagpur**

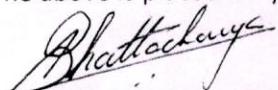

This is to inform you that the Nordic Center of India (NCI) has expressed interest to visit IIT Kharagpur between the 17th and 20th of January, 2022 to meet the Director and senior administrators of the institute.

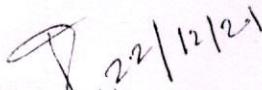

The NCI is a consortium of 18 universities across Finland, Norway, Denmark, Sweden, Iceland and Lithuania working towards increasing research and higher education cooperation between their members and Indian HEIs. They also work with relevant stakeholders like the Nordic Embassies in India. Counsellors for Higher Education, Science and Technology from the Finnish Embassy and the Norwegian Embassy in India have especially expressed an interest to visit IIT Kharagpur.

IITKGP has several engagements on multiple fronts with our international partners in the Nordic region. A list of recent engagements in the last 5 years is enclosed herewith.

In light of the above and in view of our long standing relationship with partners in the region, I would request you to kindly consider this request favourably. Office of International Relations will take care of the local hospitality of the visiting delegation while they are in the Institute.

The above is placed for your kind consideration and approval.

Associate Dean (IR & Ranking)

Dean (Outreach)

Enclosed:

1. List of recent collaboration with Nordic countries
