NOTE

It has been noted that according to the Statement dated 31.03.2022 of Shri Gopal Rajgarhia International Programme, the Closing Balance available with the Institute under the SGRIP Fund is INR 135,365,944.

The annual interest earned from the endowment for the FY 2021-2022 is INR 6,646,733.

Following the approval of Note vide REF # 136/2018/OIR dated 02.08.2018, The Office of International Relations proposes that the 8% of the annual interest be used to cover the operating expenses of the Office of IR to run the scheme.

Since call for applications could not go out in the past two years, the Office of IR is planning to do additional dissemination for publicity of the scheme to attract maximum participation from international faculty members and students for the various categories of the scheme.

To that effect, it is requested that the Institute transfers the 8% of the annual interest amounting to INR 6,646,733 to the International Relations Fund (IRF) available with the SRIC.

Supporting documents are enclosed for review and consideration.
