Dear Sir,

The following international students have been admitted to our institute in AY 2020-2021 & 2021-2022. They are not being allowed to complete their registration in the ERP due to the non-payment of their registration/tuition fees. The students are from various countries and have come under various schemes of scholarships. The fee payment will certainly be made within few weeks' time or even before as the necessary paperwork for the release of the funds (from various sources) are being undertaken and thus it is requested to kindly:

- 1) Allow the student to attend his/her regular classes during this period.
- 2) Allow the student to register in the ERP before the payment of the fees as a special case.
- 3) Allow these students an extension of the date for their fees payment till 30.09.2022.

The above approval is being requested for the following student:
