Dear,
FoE&A/FoS/FoBTBS/VGSoM/RGSoIPL
IIT Kharagpur.

Dear Sir,

The following international students are those who have been admitted between AY 2020-2022. They will be unable to complete their registration in the ERP due to the non-payment of their registration and other fees. The students are from various countries and are under various schemes of scholarships. The fee payment will certainly be made within few months' time or even before as the necessary paperwork for the release of the funds (from various sources) are being undertaken and thus it is requested to kindly:

- 1) Allow these students an extension of the date for their fees payment till 31.03.2023.
- 2) Allow these students to attend their regular classes during this period.
- 3) Allow these students to register in the ERP for their necessary courses and research works as applicable before the payment of the fees as special cases.

The above approval is being requested for the following students:
