Dear Sir,

The following international students have not completed their registration in the ERP due to the non payment of their registration fees. The students are from various countries and have come under various schemes of scholarships. The fee payment will certainly be made within few weeks time or even before, as the necessary paperwork for the release of the funds(from various sources) are being undertaken and thus it is requested to kindly:

- 1) Allow these students an extension of the date for their fees payment till 26.07.2019.
- 2) Allow these students to attend their regular classes during this period (15.07.2019 – 26.07.2019).
- 3) Allow these students to register in the ERP before the payment of the fees as special cases.
