The Deputy Director,  
IIT Kharagpur.

Dear Sir,

Our MoU with EDCIL needs to be extended for one more year. This is an umbrella MoU that was jointly drafted and signed by multiple IITs. The new draft is identical to the one we signed last year, with the exception of MHRD being replaced by MoE.

I would request for your approval to renew the MoU. Since the draft was already reviewed last year, I am hoping that we can skip the review by MoU committee, and place it as a reporting item in our next meeting.

Submitted for your consideration and approval.
