Subj: Request for approval of the Renewal of the MoU with Ben Gurion University (BGU), Israel

IIT Kharagpur and BGU wishes to renew the MoU between the Institutes which was first signed in 2015.

The MoU was discussed in the MoU committee on 17.02.2021, where Prof. D. Roy Chowdhury let the committee know about the plans that have been formulated with BGU towards greater academic partnership. The committee felt that there is positive indication that collaborative activities will be engendered under this MoU and hence approved the renewal. (A)

It is to be noted that several of our faculty members have visited BGU and IITKGP has also hosted a group of faculty members from BGU for academic workshops under the SGR International Programme. (B)

The supporting email correspondence and Minutes of Meeting are enclosed. Director is requested to kindly approve the signing of the MoU. He is further requested to be the signatory from IIT Kharagpur.

This is placed for your kind consideration and approval.

In light of (A) & (B), this may be considered for renewal
