Subj: Request for Signing MoU with Moscow Aviation Institute (MAI), Russia

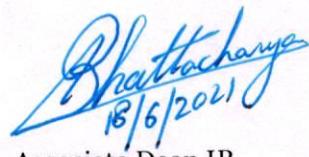

IIT Kharagpur and the MAI wishes to sign an MoU for collaboration in academics and research.

The Dept. of Aerospace, IITKGP is in the process of submitting a proposal (Long Endurance Mars Flying Exploration Vehicle, LEMFEV) funded by DST and Russian Science Foundation. The deadline is June 15, 2021. The project will be carried out by Aerospace Department IITKGP and Moscow Institute of Aviation. To this end, an MoU is required to be signed for mutual cooperation and to enhance the research activities at IITKGP.

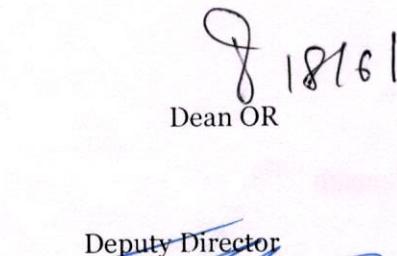

The draft MoU was circulated to the MoU committee by email on June 10, 2021. Since no objections were received from the members, this MoU is considered as approved by MoU Committee. The Russian and the Hindi Versions have been vetted by Mr. Pavel Karmanov, Russian Ph.D. student in Dept of GG and Dr. Rajeev Kumar Rawat, Senior Hindi Officer, IITKGP.

It is proposed that Director signs on behalf of IITKGP.

The supporting email correspondence and the partially signed MoU are enclosed for your kind consideration and approval.
