Subj: Request for Signing MoU with Power Grid Corporation of India Limited (PGCIL)

IIT Kharagpur and PGCIL wishes to sign an MoU for initiating an Energy Management Project at the IIT Kharagpur campus.

The MoU that was proposed to be signed between PGCIL and IIT Kharagpur, in connection with collaborative project and research activities related to energy management in the area of power and energy. This 5-Year MoU has been jointly developed by IITKGP and PGCIL based on the 10-Year MoU which PGCIL has signed with IIT Roorkee. PGCIL has clarified the need for a 10-Year MoU, since the energy management project, is expected to take 3-5 years for installation and up to another 5 years for full payment by IIT Kharagpur. The MoU has been approved at their end. The only major change PGCIL made was to make it into a 10 year MoU.

To this end, the draft MoU was circulated to the MoU committee by email on May 30, 2021. Since no objections were received from the members, this MoU is considered as approved by MoU Committee. The MoU is now being placed for Director's kind approval. It is further proposed that Director signs on behalf of IITKGP.

The supporting email correspondence is enclosed for your kind consideration and approval.
