Indian Institute of Technology Kharagpur  
Kharagpur – 721 302**

No: 1452/2022/OIR

Date: 03/3/2022

**Minutes of Meeting: ANU-FRT shortlisting**

After examination of the applications for the Australian National University- Future Research Talent (ANU-FRT) Awards for summer of 2022, the following 5 students were selected to be nominated from IIT Kharagpur out of a total of 10 applications.

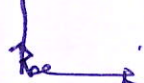

Sl. No.	Name	Department	Roll Number
1.	Kaushal Banthia	Computer Science	19CS10039
2.	Arindam Basak	Mathematics	20MA91F03
3.	Fahad Peerali Paloth	OENA	19NA30013
4.	Niranjana K. Sabu	Mechanical	20ME10057
5.	Samarpita Das	Chemistry	18CH30021

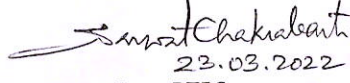

During the selection process and the review of the applications, the Committee resolved the following:

- Incomplete applications which includes, insufficient number of Letters of Recommendation (LoR) etc. will not be accepted.
- Academic performance should be matching the requirements of the program. Hence, no UG student with a CGPA lower than 8.0 may be considered for any international prestigious student mobility program.
- Students in their 2<sup>nd</sup> year who apply for projects needing mathematical background may be considered. However, projects requiring deeper domain knowledge may not be prioritised for such international programs.
- Application of the shortlisted students should be forwarded by their faculty mentor and HoD.
- It was recommended that a list of prestigious foreign internship programs be prepared so that the procedures may be structured and formalised at the institutional level and students may be encouraged to apply.
