**Sub: Proposal to host Christmas and New Year Celebration for International Students  
on campus on 27<sup>th</sup> December 2022, Tuesday**

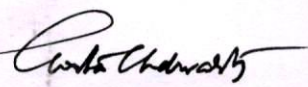

Along with the regular academic and administrative responsibilities of IR office, we are also committed towards the physical and mental wellbeing of the International students in the campus. With the holiday season around the corner and most of the International students being away from their family, we propose to host a Christmas and New Year Dinner for the international students on campus.

Earlier in the year, we have also celebrated Holi and Illumination with our international students to nurture their bond with the Institute as well as amongst themselves. With our ethos and spirit of promoting internationalization at home, we believe these initiatives will be appreciated.

We propose to host the event on 27<sup>th</sup> December, Tuesday in the Banquet Hall of Technology Guest House. Enclosed is the estimate budget for the celebration.

for INR 1,42,000.00
