About Hult OnCampus

The Hult Prize is an annual, year-long competition that crowdsources ideas from university-level students after challenging them to solve a pressing social issue around topics such as food security, water access, energy, and education. It transforms how young people envision their possibilities as Leaders of Change in the world around them. The 2023 Call to Action, **Redesigning Fashion**. The 2023 Hult Prize Call to Action is about making Fashion more sustainable. The Hult Prize challenges young people around the world to solve the planet's most pressing issues through social entrepreneurship.

The year-long, global competition challenges young people to solve the world's most pressing issues by creating innovative social ventures.

Goals

- Conducting an engaging event for the students, professors, industry leaders
- Innovative startup ideas
- Boosting the "Make in India" movement
- Leadership Talks to induce startup culture
- Enable teams from IIT KGP to pitch in their ideas and learn from the industry experts

Previous Achievements

In 2022, we had a total of 36 teams that registered for the On Campus program with the winners being Team Grameen Setu who went to win the Dhaka Regionals and represented the IITKGP among 16 teams in the Global Finals.

In 2020, Infinity Box won the Global Finals and received an amount of \$100,000 as prize money. They were among the top teams selected over 200,000 applications received from 100+ countries.

Execution

Judges would be arriving on the campus on 25th February by 5 P.M. The judges would consist of professors from reputed universities IIMs and other reputed universities, industry experts and professors from VGSOM, IIT Kharagpur.

The Hult Prize On Campus would start on 26th February from 9 A.M and last until 7 P.M at SN Bose/Kalidas Auditorium with a lunch break and a snack break.

The winners would be announced at the end of the event, who would be representing IIT Kharagpur at Hult Prize Quarterfinals
