Ref. No. 1790/2023/OIR

Date: 16.03.2023

**Sub: Proposal to organize Open-House session for potential students for Joint Doctoral Programs (JDP) with international partner Institutes**

The Office of International Relations is planning to organize an Open-House session for the PhD students (1st semester) and 2nd Year M.Tech/Masters students of IIT Kharagpur with an objective to disseminate information regarding Joint Doctoral Programs(JDP) that our institute offers with international Partner Institutes. JDP provides students with an exclusive opportunity to live and study in both countries during their candidature and earn their doctoral degree jointly awarded by the partner institutes.

Currently, we are having 6 JDP with international partners and we plan to achieve a target of 8 JDP in the upcoming year.

A tentative budget of INR 3000 may kindly be approved for the publicity material and refreshments for the open house session.

Submitted for the kind consideration and approval.
