NOTE

This is to inform you that the Office of International Relations organised orientation programme for all the new inbound students (foreign nationals) who joined the institute during the academic year 2022-23 to provide them with the opportunity to meet and interact with other international students, as well as local students, provide valuable information about the campus, the local community, academic expectations, and cultural norms, which helps them adjust to their new surroundings more easily.

In this regard, the office arranged refreshments for all the students and staff members, but the addition of tea at the last minute caused the budget for refreshment to be higher than the initial budget. Nonetheless, the event's overall expenditures are within the confines of the pre-approved budget.

Now, it has been placed for your kind consideration and approval for the exceeded budget of the refreshments and for releasing the payment to the vendor.
