Ref. No. 1855/2023/OIR

Date: 28.04.2023

Sub: Request for participation in the Indian University Student Invitation Program 2023

With reference to the enclosed letter received from Japan Science and Technology Agency (JST), it has been requested to participate in the Indian University Student Invitation Program 2023.

Under this initiative, 50 Indian universities have been approached for FY-2023 as "SAKURA SCIENCE University Program 2023". They have invited 5 students from IIT Kharagpur under the program. Following are the salient features of the program:

- JST is an agency under the Ministry of Education, Culture, Sports, Science and Technology (MEXT) of Japan. Since 2014, JST has implemented this program and has invited more than 35000 young people to Japan. This initiative is launched for India in the year 2023.
- This will be a short-term program for IIT Kharagpur undergraduate students with a duration of 7 days to stay at Japan i.e. from 24th Sep to 30th Sep 2023.
- The travel, accommodation and meals expenses for all the 5 selected students will be borne by JST.

Details of the eligibility requirements and the criteria for nominating participants are enclosed.

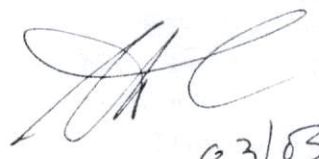

Subsequently, Dean, Faculty of Sciences, may be nominated as the in-charge for the program.

Submitted for the perusal and advice. ✓
