Subject: Disbursement of Certificate of Completion for the IIT Kharagpur and Virginia Tech Joint Certificate Programme in Business Analytics and AI Cohort – I

This is to inform you that the Joint Certificate Programme in Business Analytics and Artificial Intelligence, conducted collaboratively between IIT Kharagpur and Virginia Tech, USA, has been successfully completed. The participants who have met all the requirements are eligible to receive their certificates of completion, as outlined in the Educational Services Agreement between IIT Kharagpur and Virginia Tech, USA. (FLAG-1)

In this regard, the design of the certificate has been meticulously created, which was mutually agreed upon and approved by the partner institute.

This Joint Certificate Programme in Business Analytics and AI with IIT Kharagpur and Virginia Tech is the first of its kind. The preparation for Cohort – II is already underway, and we are enthusiastic about the prospect of conducting numerous other joint certificate courses in future with esteemed international partner institutes. Going forward, we will adhere to the same certificate structure, ensuring a standardized format for all forthcoming joint certificate programmes.

You are requested to grant your approval for the design and authorization to proceed with the issuance of the certificates of completion to the participants.

Associate Dean, International Relations and Ranking

As per agreement, a joint certificate to be issued to a candidate after successful completion. As already, the first batch completed the courses the certificate needs to be issued to them. For Virginia Tech, the signatories are decided. The approval of signatories & the format is requested.

Dean, Outreach and Alumni Affairs

Deputy Director   *Forwarded for kind perusal as sought.*
