---------------	-----------------	-------	--

This is to inform you that starting from the Academic Year 2022-23, the processing of foreign applications for enrollment in the various Masters' and Doctoral Programme has been initiated through the ERP portal. This year a significant number of applications has been received through the ERP portal. The applications of the selected candidates mentioned above can be found on the ERP and can be accessed via the admission channel labeled "APPLICATION FOR FOREIGN STUDENTS [MS]".

Your office is requested to thoroughly review the academic transcripts, applications and all other required documents of those selected candidates as well as provide your recommendation and approval.

Subsequently, kindly forward the applications to the Dean of Faculty of Engineering and Architecture for the final approval. Once this process is completed, the Office of International Relations will be able to send the Offer Letters to the candidates whose documents are vetted and approved by the Academic Section, forwarded by the concerned Dean.

Submitted for necessary action please.
