Sub: Estimated budget for the visit by Prof Saurabh Bagchi from Purdue University to IIT Kharagpur

Prof Saurabh Bagchi, Director, ECE Corporate Partnerships, Purdue University will be visiting the Institute from 3rd Aug to 5th August to discuss tangible items/scholarly activities to build on the joint MoU between IIT Kharagpur and Purdue University. Prof Bagchi has identified **cybersecurity** as a promising area for some joint programs between Purdue University and IIT Kharagpur and will be having a detailed discussion at the Department of Computer Science.

The MoU between IIT Kharagpur and Purdue University was signed in the year 2022 and Prof Pawan Goyal from the CS department is the coordinator for the same.

The estimated budget for his visit, based on the agenda of the visit as well as based on the expenses that occurred during the past international inbound visits, is as follows:

S NO	HEAD OF EXPENSES	PARTICULARS	APPROXIMATE BUDGET (INR)
1	Accommodation	A Room for 3 days Banquet Hall	4500 10000
2	Meals	Breakfast, Lunch, Dinner, and Meeting Refreshments as per the agenda	15000
3	Transport	Local transport for 3 days To and fro journey – Kolkata-KGP	6000 9000
4	Gift	Institute memento	2000
TOTAL [Forty-Six Thousand Five Hundred]			46500

The expenses may kindly be made through the IR operating grant.

Enclosure: i. Draft agenda for the visit.

ii. Email correspondence with Prof Bagchi

Submitted for consideration and approval, please.

Dear Prof Bagchi,

Greetings from the Office of International Relations!

As advised by Dean Outreach & AA, we are preparing an agenda for your visit to the Institute.

This is to request you to kindly share your detailed travel itinerary to IIT Kharagpur so that we could plan the meetings and the department visits. The accommodation and travel arrangements will be made accordingly.

I am copying Pawan Goyal, from the CS department, who would be the faculty host, during your visit to the Institute.

Looking forward to hearing from you.

Thanks
Shruti

Hello Jayanta da,

As the date of my planned trip to Kgp draws near, do you have a suggested agenda for the day? I will like to discuss tangible items to build on our joint MoU. My staff has prepared a document with the research and teaching assets we have in cybersecurity as that was the area identified as promising for some joint program between Purdue and Kgp.

Plus, I will like to spend some time interacting with students and faculty in CSE. I have informed Niloy of my interest in this regard as well.

Best,
Saurabh

Subject: Re: Kgp-Purdue joint program discussion

Dear Jayanta da,

Is there continued interest in moving the discussion forward for collaboration between Purdue and IIT Kgp? In my role as the Director of the Corporate Partnerships in ECE and the head of the Assured Autonomy Institute here (assured autonomy ~ security in large-scale ML), we are particularly interested in the cyber security joint program. One relevant high-level development here is ECE and CS are coming closer together under an umbrella of "Purdue Computes" as part of a President-level program.

My staff has created a directory of research and course assets here in the cyber security area between ECE and CS.

I will be in Kolkata from 3rd week of July till August 11 and if it helps to move this discussion forward, a visit to Kgp is possible.
