Dear Prof. Shukla,

I have been following your correspondence with Prof. Banerji and I echo her response in the earlier email.

Since the GIAN visitor is a foreign national, I would imagine that there are certain processes to be followed before the formal invitation letter is issued (even if it is issued by any other office other than the OIR).

I request my colleague, Arup to share the necessary details with you.

Once we have the necessary information, we will apply for Director's approval.

Once the visit is approved, the invitation letter may be issued.

I will request Prof. Banerji and/or Mr. Soumavo Das to let us know if this is agreeable.

The earlier processes I am sure, have been different, but as a representative of the Office of IR, I am simply bringing you up-to-speed on the processes that are typically followed for international visits on campus for individuals.

If any other established process is being followed, I humbly request that the OIR be informed.

Additionally, although AIR India Flight is no longer mandatory, I believe according to an earlier circular dated June 15, 2022, flight tickets now have to be bought from one of the following travel agents if it is liable for reimbursement:

1. Balmer Lawrie
2. IRCTC
3. Ashok Travels & Tours (ATT)
