Dear Mr Arup

This is with reference to inviting international participants for our International Conference on the Biodiversity and Geochemistry of Deep and Extreme Earth Systems.

I understand that the relevant documents have been submitted to your office (through my senior Ph D student Swatilekha).

This mail to confirm further that all international participants (who have already been invited by me) have been requested to make their own international travel arrangement. From our side, local hospitality (food and accommodation) will be provided, along with transport from Kolkata airport to IIT Kharagpur campus.

Dr Kasthuri Venkateswaran (one of our confirmed speakers) from California Institute of Technology, Jet Propulsion Laboratory, USA will be at IIT Gandhinagar during the same time (early 2024), and he has requested supporting his air travel from IIT Gandhinagar to Kolkata. We expect to arrange the same.

Subject: Regarding our International Conference on the Biodiversity and Geochemistry of Deep and Extreme Earth Systems

Dear Ms Parihar

This is in reference to the International Conference on the Biodiversity and Geochemistry of Deep and Extreme Earth Systems being organized by our department during 1st Feb to 3rd Feb, 2024, at IIT Kharagpur campus. The symposium proposal is approved by CEP, with the approval no. IIT/CEP/CON/CON/2022-2023/BT/168

We are expecting a number of international experts/speakers in this conference. A few international speaker has already confirmed their participation, while some more are expected to communicate their availability soon.

I would request you to kindly provide me the details of the procedures to obtain necessary ministerial (Govt. of India) approval for holding this international meeting and participation of the foreign guests.

CEP approval document is attached for your kind perusal.
