NOTE

Sub: Request for Approval for the MoU with Adani Group Chair Professorship

IIT Kharagpur and The Adani Group wish to set up a Chair Professorship for CoE in Safety Engineering and Analytics. The sponsor will pay the Institute a total of Rs. 60 lakhs over a period of two years to be provided in two equal instalments of Rs. 30 lakhs per year in advance towards Chair.

To this end, a draft Memorandum of Understanding (MoU), was placed in the MoU committee meeting on 19th June 2023. The proposal is, in principle, approved by Adani Group.

The email correspondences and supporting documents are enclosed. This is placed for your kind approval. It is also requested that Dean OR&AA be the signatory of the MoU.

Proposal

Adani Group Chair Professor

1. Title of the Chair

The chair will be titled as “**Adani Group Chair Professor for CoE in Safety Engineering and Analytics**” and henceforth referred to as the **Chair** in this document. The Indian Institute of Technology Kharagpur will be referred to as the Institute and Adani Group will be referred to as the Sponsor.

2. Objective

The main objective of the Chair is to carry out state-of-the-art teaching, research, development and industrial collaboration in Safety Engineering, Management and Analytics, and its Practices with special emphasis to areas related (but not necessarily limited) to the following: Safety Engineering, Safety Management, Risk, Reliability & Maintenance, Human Factors & Ergonomics, Industrial Safety, Systems Safety Engineering, Safety Analytics, and Virtual & Augmented Reality.

3. Appointment of the Chair

The Chair position will be occupied by an eminent academician/ scientist/ technologist/ Industry expert, whom the Institute feels is well-suited to meet the goals of the Chair. The person may have qualifications suitable for an Institute faculty or may be an engineer/technologist of repute from industry or R&D laboratories. The Chair will be filled up by selection, on contract basis. The candidates for the Chair may be considered by a process of advertisement, nomination or search committee. The Selection Committee will be constituted by the Institute with the Director as Chairman and may have one nominee of Sponsor as one of the members, if so desired by Sponsor. The Institute shall take steps to ensure that the Chair is not ordinarily vacant for more than six months at a time.

4. Role of the Appointee to the Professorial Chair

The appointee is expected to provide leadership in conducting, collaborating, and coordinating practice-based research & development, teaching and supervising students, executing industry training in Safety Engineering, Management, analytics and allied disciplines including advising management on integrating safety in merger & acquisition; coaching on safety commitment to CEOs, CXOs and guiding APEX members/ Safety CEO Forum at the sponsor site as per invitation, etc. to suitably meet the objectives of the Chair. Any outcome of the research performed by the appointee in the form of patents/copyrights or any other form of intellectual property will be a property of the Institute and governed by Institute rules. However, information and knowledge generated through the work and efforts of the appointee, which is

not otherwise governed by rules of confidentiality, will be made available to Sponsor, if so desired. The appointee will submit an annual report of the work carried out which will be submitted to the Institute and Sponsor. If the term of the appointee ends in the middle of any year, then a report will be submitted on completion of the tenure. The appointee will deliver an annual lecture/presentation at a suitably chosen time and venue on the work done by the Chair. *The appointee is also expected to facilitate research and development interaction between Sponsor and the Institute which may spawn into separate sponsored projects or other activities with the Institute's faculty and students.*

5. Funding and Expenditure

Sponsor will pay the Institute a total of **Rs. 60 lakhs** over a period of two years to be provided in two equal installments of **Rs. 30 lakhs per year** in advance towards Chair. This amount will be used to pay for the salary/honorarium, travel, contingency and other expenses for the Chair to be met by the Institute. Institute shall provide office space and arrange for suitable accommodation in campus for the Chair. Unspent balance for a current year shall be carried over to meet additional expenses in subsequent years. Expenditure will be made as per rules of the Institute.

6. Review and Renewal

The terms and conditions of the Chair can be reviewed by mutual agreement and extension may be made after 2 years.

Signed on, 2023
