During the selection process and the review of the applications, the committee resolved the following:

- Academic performance should be matching the requirements of the program. Hence, no UG student with a CGPA lower than 8.0 to be considered for this international prestigious student mobility program.
- Application of the shortlisted students should be forwarded by their faculty mentor at IITKGP and HoD.
- It was recommended that a list of prestigious foreign internship programs be prepared so that the procedures may be structured and formalised at the institute level and students would be encouraged to apply.
- The Meeting ended with a vote of thanks
