NOTE

Dear Sir,

The following list of SGRIP Scholarship recipients have joined IITKGP (as on date) under various departments for the current academic year (2021-2022 & 2022-2023):

A NAMES	B COUNTR Y	C DEGR EE	D ROLL NO.	E D/S/C	F FUN DING	G AMOUNT TO BE TRANSFERRED TO STUDENT'S PERSONAL ACCOUNT (Private Mess Charges)	H AMOUNT TO BE TRANSFERRED TO IITKGP A/C (Registration, Tuition, Hostel Charges)
Samarakoon Mudiyanselage Ruwan Kithsiri Samarakoon	Sri Lanka	PhD	21BM92Ao1	VGSOM	SGRIP	13,350.00	36,650.00
Arbind Kumar Yadav	Nepal	M.Tech	21CE65Ao2	CIVIL	SGRIP	-	49,950.00
Manish Shah	Nepal	M.Tech	21ME61Ao1	ME	SGRIP	-	47,239.00
Sri Kamal Jaiswal	Nepal	M.Tech	21MT61Ao1	MME	SGRIP	-	44,922.00
Manisha Kumari Barnwal	Nepal	M.Tech	22AG63Ao1	AGFE	SGRIP	-	50,000.00
Raghav Gupta	Nepal	M.Tech	22CE65Ao1	CIVIL	SGRIP	-	50,000.00
Chhotu Yadav	Nepal	M.Tech	22EC64Ao1	E&ECE	SGRIP	-	50,000.00
Gauri Shankar Patel	Nepal	M.Tech	22CH60Ao1	CHEMI CAL	SGRIP	-	50,000.00
Divya Jha	Nepal	M.Tech	22BT60Ao2	BT	SGRIP	7,810.00	42,190.00
Bimlesh Yadav	Nepal	M.Tech	22ES60Ao1	ESE	SGRIP	-	50,000.00
Akash Jaiswal	Nepal	MBA	22BM63Ao1	VGSOM	SGRIP	-	50,000.00

Under Scheme 4 for International Student Support of the SGR International Programme, the above Eleven students are awarded to receive **INR 50,000.00** each towards registration fees, tuition, hostel and basic mess charges. The break up details for each student is enclosed.

Request is being made for the following fund transfer:

1. INR 13,350/- for one PhD student & INR 7,810/- for one M. Tech student towards private mess charges in the student's personal account # **(Refer to column G & please see enclosed claim forms highlighted in green Flag-i & Flag-ii).**
2. Semester fees of Mr. Samarakoon Mudiyanselage Ruwan Kithsiri, Arbind Kumar Yadav, Manish Shah, Sri Kamal Jaiswal, Manisha Kumari Barnwal, Raghav Gupta, Chhotu Yadav, Gauri Shankar Patel, Divya Jha, Bimlesh Yadav and Akash Jaiswal **(Refer to column H).**

The following are the details of the IIT KGP account where the fee of the above students shall be credited.

IITKGP A/C NO:	33885503489 (CURRENT ACCOUNT-REGISTRAR, IITKGP)
IFSC CODE:	SBIN0000202
BRANCH NAME:	SBI, IITKGP
SPECIAL INSTRUCTIONS (IF ANY)	This account does not have 'Cheque book' facility
TOTAL FUND TRANSFER AMOUNT FOR THE ABOVE STUDENT	(36,650 + 49,950 + 47,229 + 44,922 + 50,000 + 50,000 + 50,000 + 50,000 + 42,190 + 50,000 + 50,000)  5,20,941.00 (Five Lakh Twenty Thousand Nine Hundred & Forty one only)

Submitted for necessary processing.

Date: 05 July, 2023

Ref: Approval Letter: Application for the invitation of **Mr. Samarakoon Mudiyanselage Ruwan Kithsiri** from Sri Lanka under **SGR International Student Scholarship for Degree Program** facilitated by the **Office of International Relations, Dean OR & AA, IITKGP**.

**Congratulations!**

The proposal is **approved** with a total budget of INR 50,000 for covering tuition fees, hostel charges and basic mess charges for the 2022-2023 Spring semester.

Mr. Kithsiri is requested to re-apply in the fresh call for applications next semester.

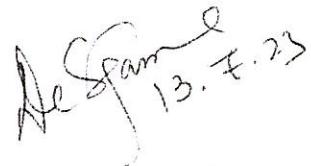

Any additional charges incurred in this semester will be reimbursed on the submission of supporting documents.

The endorsed bills for the above along with all required documents, as mentioned in the SGRIP guidelines for application, should be sent to the Office of IR, along with a one-page report and pictures for documentation, both in hard copy and soft copy formats.

**Please Note:** Incomplete reimbursement applications will not be honored and will be sent back to the host faculty member.

**My name is Arbind Kumar Yadav, I'm from Nepal, and I'm now doing an M.tech. in structural engineering at IITKGP.**

I completed my civil engineering degree at Jawaharlal Nehru Technological University in Hyderabad with distinction. After graduating, I spent a year working as a site engineer in a highly professional scientific setting. Later, I spent six months working on a drinking water project before joining a company and working as a site engineer there for 1.5 years.

I am an energetic person who enjoys fishing and playing sports.

**Duration of Visit:**

- Start date: AUG 2021
- End Date: JUN 2023

**Research Interests: (Feel free to add more bullet points)**

- Implementation of sustainability in bridge design, construction and maintenance.
- Design and construction of superstructure in prestressed concrete cable-stayed bridge.
- 3D Printing of concrete materials.

**Awards and Honors: (Feel free to add more bullet points)**

- Academic excellence award for securing distinction marks in B. tech.
- Academic excellence award for securing good rank in S.L.C.
- Best employee Award (Nepal Development consultants Pvt. Ltd)

**Host Faculty:**  
Prof: Sushanta Chakraborty

Dept of Civil Engineering

**Contribution to IITKGP (Feel free to add more bullet points)**

- Sharing my professional experience with the departmental students.
- Sharing project expertise with my department's incoming freshmen.
- Participation in IITKGP social and cultural programmes.

**Takeaways: (Feel free to add more bullet points)**

- Working in an advanced lab will boost my research experience, and research facilities will be helpful for future industrial job employment.
- Workshops, seminars, and internships.

**Further Plans on how to take this collaboration forward in the next 1-2 years and the likely outcome of such leveraging: (Feel free to add more bullet points)**

- Enhancing the skills by working on an analytical programming language.
- Paid internships, seminars, and workshops for work based on original research.

#### **Brief Introduction of the SGRIP Visitor (About 75 words)**

I am Manish Shah from Nepal. I am pursuing M.tech degree in Mechanical department with specialization Manufacturing Science Engineering at IITKGP. I have pursued my B.tech degree from NIT-Bhopal in the year 2020 and then I did job at Toyota Nepal for a year as service engineer. I had much more interest in manufacturing during my undergraduate that's why I choose these department as my specialization. And recently I am working on Mtech project based on laser ultra-fast deposition on metallic substrate.

I am very much thankful to SGRIP Scholarship programme that makes my dreams into reality and help me financially.

#### **Duration of Visit:**

- Aug 2021 to May 2023 (2yrs)

#### **Research Interests: (Feel free to add more bullet points)**

- Laser Ultra-fast deposition in metallic substrate.
- Project related to Modern Manufacturing process.
- Similarly Rapid Prototyping

#### **Awards and Honors: (Feel free to add more bullet points)**

- MEA scholarship from Indian embassy
- Mahatma Gandhi Scholarship
- Partial Scholarship from Indian Embassy in Self-Funding.
- Partial Scholarship at +2.
- Participation in Run Bhopal Run from side of NIT-Bhopal.

#### **Host Faculty:**

Prof: Sankha Deb  
Dept of Mechanical Engineering

#### **Contribution to IITKGP (Feel free to add more bullet points)**

- Involving in Different cultural activities at IITKGP.
- Helping international students whenever they face issue or problem related college activates and programme.
- Sharing my ideas and projects works with professor and with friends.

#### **Takeaways: (Feel free to add more bullet points)**

- SGRIP Scholarship helps me pursuing M.tech degree without financial load to my parents.
- It helps me in doing M.tech project and researched based work.

#### **Further Plans on how to take this collaboration forward in the next 1-2 years and the likely outcome of such leveraging: (Feel free to add more bullet points)**

- This collaboration is very helpful to the student, actually for those who are financially weak and willing to do research and project work similarly helps them in achieving their goals.

My name is **Sri Kamal Jaiswal**, residence of Nepal, pursuing my M.Tech in Metallurgical and Material Engineering Department of IIT KGP.

I have completed my B.Tech in Mechanical Engineering from RPIIT Campus, Kurukshetra University and maintained Rank 1. After my graduation I, worked as a Production and Maintenance engineer in professional scientific environment where my skills were valued for 3 and half years.

I am an enthusiastic individual who loves to play any sports game.

#### Duration of Visit:

- Start Date:- August 2021
- End Date:- June 2023

#### Research Interests: (Feel free to add more bullet points)

- Development of Aluminium Matrix Composites
- Experimental and Analytical Investigation of Low alloy Steels
- 3D printing of Composites.

#### Awards and Honors: (Feel free to add more bullet points)

- Mahatma Gandhi Scholarship (Indian Embassy )
- Academic Excellence Award for securing Rank 1 in B.Tech
- Academic Excellence Award for Securing Rank 1 in S.L.C
- Best Employee Award ( Siddhi Laxmi Steels Pvt. Ltd. Nepal )

#### Host Faculty:

Prof: Mangal Roy  
Dept. of Metallurgical and Material Engineering

#### Contribution to IITKGP (Feel free to add more bullet points)

- Sharing my work experience to the students of my department.
- Sharing my knowledge of my project with the upcoming fresher's students of my Department.
- Involvement in some social activities.

#### Takeaways: (Feel free to add more bullet points)

- My research experience will definitely get enhanced working in a sophisticated lab and research facilities which will help in my further industrial Job works.
- Internship and workshops

#### Further Plans on how to take this collaboration forward in the next 1-2 years and the likely outcome of such leveraging: (Feel free to add more bullet points)

- Work on some Analytical Programming Language to enhance by Skills.
- Paid Internship and Workshops for my research Based work.

Ref: Approval Letter: Application for the invitation of Ms. Manisha Kumari Barnwal from Nepal under **SGR International Student Scholarship for Degree Program** facilitated by the **Office of International Relations, Dean OR & AA, IITKGP**.

**Congratulations!**

The proposal is **approved** with a **total budget of INR 50,000 for covering tuition fees, hostel charges and basic mess charges for the 2022-2023 Spring semester.**

Ms. Barnwal is requested to re-apply in the fresh call for applications next semester.

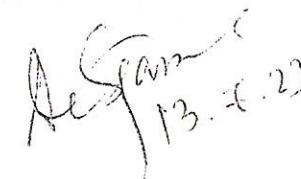

Any additional charges incurred in this semester will be reimbursed on the submission of supporting documents.

The endorsed bills for the above along with all required documents, as mentioned in the SGRIP guidelines for application, should be sent to the Office of IR, along with a one-page report and pictures for documentation, both in hard copy and soft copy formats.

**Please Note:** Incomplete reimbursement applications will not be honored and will be sent back to the host faculty member.

#### **Brief Introduction of the SGRIP Visitor:**

I, Manisha Kumari Barnwal from Nepal Pursuing MTech. degree in Agricultural and Food Engineering department with specialization of Food Process Engineering at IIT Kharagpur. I have perused my B. Tech degree from Jamia Hamdard University in the year 2022. And I have been assigned major project on the topic of **“Effects of temperature and shear on the texture of plant-based meat”**. I am very much thankful to SGRIP Scholarship programme that will help me financially for the internship and major project.

#### **Research Interests:**

- **Effects of temperature and shear on the texture of plant-based meat**
- **Research related to space food**
- **Advance Thermal Operations**

#### **Awards and Honors:**

- Compex Scholarship Scheme
- Mahatma Gandhi Scholarship
- Partial Scholarship from Indian Embassy in Self-Funding.
- Partial Scholarship at +2.

#### **Host Faculty:**

Prof: Jayeeta Mitra  
Dept of Agricultural and Food  
Engineering

#### **Contribution:**

- Involving in Different sports activities at IITKGP.
- Helping international students whenever they face issue or problem related college activates and programme.
- Sharing my ideas and projects works with professor and with friends.

#### **Takeaways:**

- SGRIP Scholarship helps me pursuing M. Tech. degree without financial load to my parents.
- It helps me in doing M. Tech project and research-based work.
- It helps me in doing unpaid summer internship.

#### Brief Introduction of the SGRIP Visitor

I am Chhotu Yadav from Nepal. I am pursuing M.Tech degree in Electrical and electronics and communication with specialization communication and signal processing at IIT KGP. I have pursued my BE degree from VTU, India in the year 2018 and then I joined IT department of Nepal government and then I joined Huawei Technology and work as a telecom engineer. I had much more interest in the field of telecommunication, wireless communication and in the field of electronics that's why I choose and joined these department and communication and signal processing as my specialization. I am very thankful to SGRIP scholarship programme that makes my dream into reality.

#### Research Interests:

- Wireless communication (5G / 6G)
- Communication Network with cyber security
- IOT

#### Awards and Honors:

- Edcil compex scholarship for BE from Indian Embassy
- Best prize in the project exhibition held at BMSIT & M
- Received first prize in the district level quiz competition.
- Paper published in IRJET

#### Host Faculty:

Prof. Amitalok Jayant Budkuley  
Dept of Electronics and Electrical  
Communication Engineering

#### Contribution

#### **Brief Introduction of the SGRIP Visitor**

My name is Gauri Shankar Patel, and I am a resident of Nepal. I am presently enrolled in the MTech program in Chemical Engineering at the Department of Chemical Engineering at IIT Kharagpur. I have successfully completed my undergraduate degree in Chemical Engineering from Siddaganga Institute of Technology, Tumkur. Following the completion of my bachelor's degree, I gained two years of professional experience as a Senior Executive at Epsilon Carbon Pvt Ltd. Due to my strong inclination towards research, I decided to pursue an MTech degree at IIT Kharagpur.

Currently, I am engaged in a research project focused on Hydrogen Storage in Gas Hydrates. The SGRIP Scholarship has significantly contributed to my academic pursuits by alleviating any financial concerns or burdens. I am sincerely grateful to the SGRIP Scholarship program for enabling me to realize my aspirations and establish a successful career.

#### **Research Interests:**

- Drug Delivery
- Hydrogen Technology
- Nanotechnology
- Catalysis

#### **Awards and Honors:**

- Paper presentation at IIT Bombay
- Partial Scholarship at 10+2

#### **Host Faculty:**

Prof: N C Pradhan  
Dept of Chemical Engineering

#### **Contribution**

As a student, I have made valuable contributions to the academic, cultural, and social fabric of our institution. One of my significant contributions lies in my commitment to my studies and research programs. I have consistently pursued academic excellence, engaging actively in class discussions, collaborating with peers on group projects, and seeking out opportunities for intellectual growth. Moreover, I have actively participated in various cultural activities organized by the college. From cultural festivals to art exhibitions and performances, I have embraced the opportunity to showcase my talents. Additionally, I have enthusiastically participated in numerous college events and extracurricular activities. Whether it's sports competitions, debates, or workshops, I have actively taken part and supported these initiatives.

#### **Takeaways:**

Firstly, I have learned the importance of time management and self-discipline. Balancing academic responsibilities, extracurricular activities, and personal commitments has taught me how to effectively prioritize tasks and make the most of my time. This skill will undoubtedly benefit me in future endeavours. Secondly, my college experience has enhanced my critical thinking and problem-solving abilities. Engaging in rigorous coursework and participating in challenging projects has encouraged me to think analytically, approach problems from different perspectives, and develop innovative solutions. Lastly, my college experience has fostered personal growth and self-discovery and developed a stronger sense of self, honed my strengths, and identified areas for growth.

To  
Prof. Pinaki Sar  
Through: Head, Department of Biotechnology

My name is Divya Jha. I have pursued my undergraduate studies in Genetic Engineering from SRM Institute of Science & Technology, Kattankulathur, Chennai – 603203, Tamil Nadu.

My aspirations in completing higher studies in the field of Life Science from this esteemed Institution would enable me to establish research as my career.

Post-graduation in Biotechnology and Biochemical Engineering from IIT Kharagpur holds a lot of promise and I hope to achieve it through sincere hard work and dedication.

Duration of visit: August 2022 – June 2024.

#### Research Interests:

- Microalgal gene knock-out using CRISPR.
- Algal Biofuel production.

#### Awards and Honors:

- Second position for Engineering Mathematical Fest 2018, SRM IST 2018
- Complex Nepal Scholarship Scheme for BTech Genetic Engineering in SRM IST 2017-2021
- Mahatma Gandhi Scholarship 2014-2016
- District Topper in SLC 2014

#### Host Faculty:

Dr. Pinaki Sar,  
Professor,  
Department of Biotechnology,  
Indian Institute of Technology  
Kharagpur.

#### Contribution:

- Position of General Mess Secretary of Visvesvaraya Guest House (VGH Hall of Residence).
- Involved in cultural, social activities.

#### Takeaways:

SGRIP is an established platform that helps support international students in pursuing their dreams and aspirations.

Coming from a middle-class family, there is a constraint in income for me to financially support my studies. This scholarship will provide me with an opportunity to fully focus my attention on the objective of achieving the best I can from this post-graduate program in Biotechnology and Biochemical Engineering.

I believe that the scholarship will financially benefit my studies and will undeniably boost my career ambitions.

### Brief Introduction of the SGRIP Visitor

I am Bimlesh Yadav and belong from Nepal. I am currently pursuing Renewable energy technologies at the School of Energy Science and Engineering at IIT-Kharagpur. I graduated from NIT-Allahabad in 2014 with a degree in mechanical engineering. After graduation, I worked in different organization and have 6+ years of experience. Working in the hydropower sector, I realized that we need to emphasize on renewable energy to conserve the environment and save mankind from possible environmental hazards that are on our doorsteps. Seeing the need for time and enormous possibilities in the field of renewable energy in nigh future, I decided to pursue Renewable Energy Technologies form the Indian Institution of Technology, Kharagpur. Currently, I am working on a project related to Bio-hydrogen production.

The SGRIP scholarship would help me to support my tuitions and living expenses during my course. It will also relieve me from the unnecessary stress of arranging funds and I could completely focus on my education. With the poor family background and best academic performance in past, I believe I suit as the best candidate for the scholarship.

#### Research Interests:

- Bio-hydrogen production
- Carbon Capture
- Green hydrogen

#### Awards and Honors:

- District topper in 10<sup>th</sup> board

#### Host Faculty:

Prof: Amit Ghosh  
School of Energy Science and Engineering

#### Contribution

- Involved in different cultural and technical activities at IIT-KGP.
- Participation in the events organized by the institute.

#### Takeaways:

- SGRIP scholarship will help me to pursue masters.
- Enhancement of knowledge and skills.

**Office of International Relations  
Indian Institute of Technology Kharagpur**

Date: 05 July, 2023

Ref: Approval Letter: Application for the invitation of **Mr. Akash Jaiswal** from Nepal under **SGR International Student Scholarship for Degree Program** facilitated by the **Office of International Relations, Dean OR & AA, IITKGP**.

**Congratulations!**

The proposal is **approved** with a **total budget of INR 50,000** for covering **tuition fees, hostel charges and basic mess charges** for the **2022-2023 Spring semester**.

Mr. Jaiswal is requested to re-apply in the fresh call for applications next semester.

Any additional charges incurred in this semester will be reimbursed on the submission of supporting documents.

The endorsed bills for the above along with all required documents, as mentioned in the SGRIP guidelines for application, should be sent to the Office of IR, along with a one-page report and pictures for documentation, both in hard copy and soft copy formats.

**Please Note:** Incomplete reimbursement applications will not be honored and will be sent back to the host faculty member.

#### Brief Introduction of the SGRIP Visitor:

I am Akash Jaiswal from Nepal. I am pursuing MBA from VGSoM, IIT Kharagpur. Before this, I have done graduation in Mechanical Engineering and have industrial experience of 6 years in the field of FMCG Supply Chain. I believe in problem-solving and that's what I have learnt throughout my pre-MBA journey. I want to solve bigger problems through the effective utilization of skills and learning from academics during these two years of my MBA.

#### Research Interests:

- Mitigating Data Security Risks in the Export-Import Industry: Best Practices and Recommendations
- Scope of Reverse Logistics/ Scrap Collection in Battery Industry

#### Awards and Honors:

- Received letter of appreciation and recommendation from the Director of Holy-land Marketing Pvt. Ltd
- Member of the Anti-sexual harassment committee in the first Company Holy-land Marketing Pvt Ltd and ensure zero serious cases during my tenure.
- During graduation, awarded with Best fabrication award in Aerotrix Competition (Quadcopter design) held in technical fest organised by IIST Trivandrum

#### Host Faculty:

Prof. Vinay Yadav  
Vinod Gupta School of Management

#### Contribution

- Member of the Alumni Committee: Drive alumni engagements by presiding mentorship programs, soliciting endowments, publishing newsletters and maintaining alumni relations
- Conduct guest lectures for the sole purpose of supplementing students with management know-how and understanding of how industry veterans respond to such volatile business scenarios in a very practical setting.

#### Takeaways:

- SGRIP Scholarship is going to help me in pursuing My degree without any financial stress and this will further help me to put my best foot forward.
