Dear Mikko,
Greetings from IIT Kharagpur! Hope you are doing fine.

Kindly find the attached form that you need to fill out for both yourself and your wife for issuance of an official invitation. Kindly put your signatures, scan and revert (both for you and your wife, two filled out forms with signatures of youself and your wife respectively).

Also, I would kind request you to send me the scanned copy of passport of both of you (kindly scan it without the impression of figures etc like earlier!). I am sorry but we need it for the processing from our office of international relation as informed.

Best regards,

Santanu
