Department of Architecture and Regional Planning
IIT Kharagpur

Date: 14th December 2023

Sub: Invitation for Special Lecture for students of Master of City Planning

The undersigned proposes to invite Prof. Diane Davis **for a special guest lecture for the course of Urban Design** which is a compulsory core subject for the 2nd semester students pursuing MCP degree in the Department of Architecture and Regional Planning at IIT Kharagpur.

Prof. Diane E. Davis is the Charles Dyer Norton Professor of Regional Planning and Urbanism and former Chair of the Department of Urban Planning and Design at Harvard's Graduate School of Design (GSD). She also is the director of the Mexican Cities Initiative at the GSD, and faculty chair of the committee on Mexico at the David Rockefeller Centre for Latin American Studies at Harvard. Her recent research has focused on **spatial strategies to minimize risk and foster resilience for making sustainable cities**.

Our students in the course of Urban Design are introduced to topics like urban rejuvenation, integration of urban brownfield, river-front development, heritage conservation, place-making, inclusive planning for vulnerable groups, transit oriented development etc. All these are global issues with local implications.

In this context, a talk from an international expert will enhance the sensitivity, creativity and analytical ability amongst students.

Prof. Diane has kindly agreed to deliver an in-person lecture on 3rd January (FN), 2023. The talk will be followed by interactive sessions with research scholars, other faculty members from the department.

Though this is a dedicated lecture for the MCP 2nd year students pursuing the course of Urban Design, the lecture will be made open to the interested Faculty members, PG Students and Scholars of the Department of Architecture and Regional Planning, Ranbir and Chitra School of Infrastructure Design and Management and other relevant departments.

The proposal is placed for your kind approval. Prof. Diane will be available in Kolkata in the first week of January. To and from travel cost by road from Kolkata, stay for one night in TGH (some room), and an honorarium of INR 10000 as per the Institute norms may be sanctioned from the Departmental Contingency Grant.

Prof. Diane will also be very interested in having a meeting with the Director at a mutually convenient time during her stay in IIT Kharagpur.

Warm regards.

Sincerely,

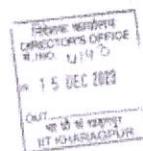

Dr. Haimanti Banerji
Subject Teacher of Urban Design
