Indian Institute of Technology
Kharagpur – 721 302

Ref. No: 1947/2023/OIR

Dated: 08.08.2023

Sub: Approval for late registration for the new international students under various funding schemes for the Academic Year 2023-2024.

The following international students (list enclosed) have been selected and recommended for admission in their respective departments/schools/centres of IIT Kharagpur for the Autumn Semester of the Academic Year 2023-2024. The students are from various countries and are coming under various funding schemes. These international students were not able to join the Institute within 31st of July, 2023, due to their visa related issues and other inconvenience in their home countries. Since, they are joining late, they are not being allowed to complete their registration on ERP portal. Therefore, it is requested to kindly:

- Allow these students to register for the admission on the ERP portal till 31.08.2023 upon their arrival on campus.
- Allow these students to register on ERP before the payment of the fees as a special case.
- Allow these students for extension of the date for the payment of their fees till 30.10.2023, with no applicable late fees.
- Allow these students to attend the classes in online mode till their arrival on campus in consultation with the respective subject teachers and HODs/HOCs.

Submitted for consideration and approval, please.
